

Greetings SCAHPERD Future Professionals Mentors/Advisors!

With the 2019 SCAHPERD convention just around the corner, it is time to start thinking about **Superstars**. The Future Professionals have many fun activities planned for this year as part of Superstars. Will College of Charleston be the back to back Super Stars Champion or will another university/college dethrone them?

We hope you will strongly encourage your students to attend the 2019 SCAHPERD conference. We have been intentional in scheduling SuperStars so that Future Professionals can attend key presentations and interact with current professionals. SuperStars and the conference is a great opportunity for Future Professionals to socialize, network, engage in friendly competitions, and interact with other Future Professionals throughout the state. SCAHPERD allows them to experience a professional conference, and hopefully, the experience will be a catalyst for future, professional involvement.

Please find the team entry form for the **SuperStars Competition** below. It is imperative that we have an idea of approximately how many participants are going to be involved as we plan the events and order T-Shirts. Please complete the form provided, and return by **October 21 to ensure your team receives SuperStars t-shirts**. Teams consist of **6 members**, including **at least 2 females**. **Each team member must be a member of SCAHPERD and registered for the convention. Registration for SuperStars will close on Monday, November 4.** As the advisor, please ensure all of your students completed all requirements for SuperStars participation. Please note: Students MUST pick up their conference registration in the main building of Embassy Suites prior to coming to the SuperStars registration.

A faculty advisor is necessary for team participation. Please indicate below the faculty advisor and provide their contact information. The faculty advisor listed must be present at the conference.

If you have any other questions or need additional information regarding Future Professionals or Superstars, please feel free to contact Dr. Tony Smith at asmith@csuniv.edu or Brandon Bowers at brandon.bowers@lander.edu

Thank you for your support of our future professionals and we look forward to seeing you at SCAHPERD 2019!

Please complete and mail/fax the following registration form along with \$100.00/team fee and \$15 per extra player by **October 21 to ensure conference t-shirts**

SCAHPERD
