

Dear Memminger Elementary School Parents/Guardians,

We are excited for our 2nd annual *SC FitMe* event March 26, 2020 at 10:00 a.m. (K-2nd) and 12:30 p.m. (3rd-5th grade). As we know, movement and physical activity are prerequisites to quality of life and this all begins with a healthy, active ME. During our *SC FitMe* Fun Run your student will have the opportunity to be active, help promote a healthy, active lifestyle and raise funds for The Tri-County Diabetes Coalition. Funds will also be used to support Memminger's physical education program.

Here's how the Program Works:

*Go to the Memminger Fun Run webpage and register for the race (\$5) or set up a donation page. You will be able to send emails to friends and family members to collect donations. Directions to set up the page are found at

<https://scahperd.wildapricot.org/Participant-Information/>. To utilize the on-line donation website, parents must register their student at the Memminger **on-line registration page**. In addition, *SC FitMe* envelopes will be provided for those who choose not to use the online donation page. These donation webpages will be emailed to you starting February 17, 2020.

*We encourage students to ask for donations from family members and friends only. We do not encourage students to request donations by going door-to-door. Parents, Grandparents, and extended family members may collect donations for the student at work, etc.

*All funds should be collected by March 23, 2020.

Please contact **Susan Flynn or Keith Ackler**, if you have any additional questions.

flynns@cofc.edu and keith_ackler@charleston.k12.sc.us

Thank you, in advance, for your participation and support for our school's *SC FitMe* campaign. You are making a difference in our students, our school, our community and our state!

Susan Flynn and Keith Ackler,
Physical Education
